Twinkle Little Star

Twinkle, twinkle, Little star,
How I wonder what you are.
Up above the world so high,
Like a diamond in the sky.

When the blazing sun has gone,
When he nothing shines upon.
Then you show your little light,
Twinkle, twinkle through the night.

Twinkle, twinkle, Little star,
How I wonder what you are.

Mister Sun

Oh, Mister Sun, Sun, Mister Golden Sun,
Won't you please shine down on me?
Oh, Mister Sun, Sun, Mister Golden Sun,
Hiding behind that tree.

These little children are asking you,
Please come out so we can play with you.
Oh, Mister Sun, Sun, Mister Golden Sun,
Won't you please shine down on me?

The Moon Shines Bright

The moon shines bright,

The stars give their light.

The children will have good dreams,

Well into the night.

©Preschool Corner 2007

Star Light, Star Bright

Star light, star bright,
First star I see tonight.

I wish I may, I wish I might,
Have this wish I wish tonight.

©Preschool Corner 2007

There are flowers where we live.

Healthy Food, Healthy Body

Skill Builder Preschool Curriculum

©Preschool Corner 2007

There is water where we live.

There are stars in our sky.

There are animals where we live.

There is love where we live.

There are toys where we live.
