Big Fish, Little Fish

Big fish, little fish
swimming in a school.
Fat fish, skinny fish
basking in the pool.

Red fish, black fish
with shiny scales.
Fast fish, darting fish
don't get eaten by the whales.

Six Little Fish

Six little fish
that I once knew,
Fat ones, skinny ones,
slimy ones too.
But one little fish was
the leader in the school.
He led the other fish
around the pool.

Octopus, Octopus

Octopus, octopus where have you been?
Down in the ocean in a place I've never seen.
Octopus, octopus what did you see?
I saw a school of fish looking at me.
Octopus, octopus what did you do?
I asked each fish "how do you do"?

Crabby little crab,
Why are you so cross?
snapping your big claws,
Do you think your the boss?

Crabby little crab,
Why do you scurry to and fro?
Sideways across the sand,
Come back! I really want to Know!
